### PRINCIPAL'S MESSAGE

Renowned as one of the landmarks of women's education in Assam, Lakhimpur Girls' College was established in 1972. The institution, since then has been constantly aiming at providing quality education to women from all the sections of the society. The accreditation from National Assessment and Accreditation Council (NAAC) with Grade 'A' in 2014 is a significant achievement on the part the college for its tireless efforts since decades.

As the college embarks on its 49th year of glorious journey, I feel that each one of us has the responsibility to carry forward the lamp of education and knowledge that the institution has been providing for all these years. There might be different challenges at different points which will require our constant dedication and determination to fight back the same. Our objectives should be focused on the holistic development of the students which will definitely lead to a better society. I believe that every member of the college is efficient in his or her respective domains and with our united efforts, we will surely be successful in making our institution a seat of learning at par with those across the nation.

The Pioneer, the annual bulletin of Lakhimpur Girls' College is an effort to showcase various activities of the college with the objectives of all-round developments of the students as well as the institution. I welcome you all to join us in our mission of excellence and accomplishment.

Dr. Surajit Bhuyan  
Principal  
Lakhimpur Girls' College
