

# THE PIONEER

Lakhimpur Girls' College

*Bulletin*

August 2004, 2nd issue

*Vidya Jyotirmaya*

## FROM PRINCIPAL'S DESK

*It is a matter of great pleasure and pride for me that 'The Pioneer' is appearing in its second issue enshrining the mission, vision and tidings of Lakhimpur Girls' College family. Our endless quest for knowledge, our hopes, aspirations and our tenacious stride to the world of excellence, need to be exposed in glorious etches so as to enthuse us in justified measure to proceed further in the path of our quest. Having that vision, The Pioneer seeks reappearance in annual issues. It is mere a feeble attempt to put together all our pursuits. Departmental excercises in this manner seem to be the appropriate measure to reflect the pursuits of our learners and teachers, who have set the sky as the limit of their quest.*

I wish the bulletin all success and hope that in future editions new wings will be set to its flight.

Dr. Monoranjan Pandit  
Principal,

Lakhimpur Girls' College, North Lakhimpur.
