# Swachh Bharat Summer Internship

Following the Prime Minister's election call on 2<sup>nd</sup> October 2014 for youth to voluntarily devote at least 100 hours to Swachhata through the year, the Ministry of Drinking Water and Sanitation, in collaboration with the Ministry of Human Resource Development and Ministry of Youth Affairs and Sports, has launched the 'Swachh Bharat Summer Internship - 100 Hours of Swachhata'. The program aims to engage youth across the country, develop their skills and employ them in various related work and projects under the Swachh Bharat Mission (SBM).

## Components of the internship

The 100-hour experiential internship program would require the candidate to visit one or more villages and conduct activities of their choice to contribute to the cause of rural sanitation in India.

1. Duration: At least 100 hours in the period of 2<sup>nd</sup> May to 31<sup>st</sup> July 2018
2. Who can apply

- Youth enrolled in Colleges/ Universities/ NYKS may apply through an online application form made available on the website <https://sbs.mv.gov.in>.
- Candidates to indicate the location of internship (village/ district). In case of educational institutions, the location of the internship may either be home state or the state of the parent institution (education institution that the candidates are enrolled in). In case of NYKS youth, the location of internship shall be villages where they are deployed.
- Candidates may participate individually or in teams. Team size may be decided depending on the nature and scope of their activity, and approved by the parent institution, subject to a maximum limit of 10 members in a team.

## 3. Internship Process:

- Candidates to devote at least 100 hours conducting Swachhata-related activities in villages selected by them and approved by the parent institution/ District Youth Coordinator.
- The parent institution/ NYKS to organize necessary logistics for the activities.

## List of suggested activities: Appendix A

Training: An orientation video for youth towards sanitation activities in the rural context has been created and uploaded on the portal <https://sbs.mv.gov.in>, Swachh Bharat Mission (Gramin) YouTube channel (<https://tinyurl.com/sbmgamln>).

## Other important resources:

- a. It is recommended to go through the YouTube channel of the Swachh Bharat Mission (Gramin) at <https://tinyurl.com/sbmgamln> and use the other material uploaded there (uploaded in multiple regional languages) to support their efforts on the ground.
- b. All IEC material of Swachh Bharat Mission (Gramin) may be freely downloaded and widely used from the links <https://tinyurl.com/sbmgamln> and <https://tinyurl.com/sbmgamln>.

AKSHAY ROU  
Director General  
Swachh Bharat Mission

Ministry of Drinking Water and  
Sanitation (MDWS), in association with, the Ministry of Human Resource Development and Ministry of  
Youth Affairs & Sports

No. A-100/2018-22/2018

Dear General Malhotra

Dated: 01.05.2018

The Prime Minister, Shri Narendra Modi, launched the Swachh Bharat Mission on October 2, 2014 with the aim of making Swachhata a Jan Andolan. In this spirit of making Swachhata a true people's movement, Swachh Bharat Summer Internship has been launched by Ministry of Drinking Water and Sanitation (MDWS), in association with, the Ministry of Human Resource Development and Ministry of Youth Affairs & Sports (Guidelines enclosed)

The internship will be undertaken by college students and members of Youth Kalyan Sangathan (YKVS) for the duration of at least 100 hours during the period starting 1<sup>st</sup> May to 31<sup>st</sup> July 2018. Each institution/youth clubs will designate at least one Nodal Officer, who will guide the student/youth throughout the internship. A portal (<https://shs.niy.gov.in>) has been developed for the purpose of registration of interns and to upload the reports. MDWS has organized a campaign for eliciting higher participation and has also written to Chief Secretaries of States to facilitate the programme (copy enclosed). Department of Higher Education (DHE), MHRD is taking up mobilization at campus level. Secretary, Youth Affairs has been requested to coordinate with youth organizations like NSS, NCC and YKVS.

In his address, "Mann Ki Baat", on 29<sup>th</sup> April 2018, Hon'ble Prime Minister, called upon the youth to avail the benefits of this internship and to take forward the cleanliness movement in rural areas. This programme is expected to make our youths more sensitive towards Swachhata, and help in creating sanitation awareness in rural India. As we approach the 150<sup>th</sup> birth anniversary of Mahatma Gandhi, engagement of youth in community development work will be most appropriate.

NCC with their glorious tradition for community service are best suited to join this internship. This will be an opportunity for college-going senior NCC cadets to spend their Summer Vacation in a more fruitful manner and will also help them avail its benefits. It is therefore requested that necessary instructions may be issued from your side to concerned NCC units, so that all college-going NCC cadets take part in this prestigious internship.

With warm regards,

Yours sincerely,

Akshay Rout

## APPENDIX A: List of Suggested Activities

As a part of the internship, the activities that participants may conduct have been categorized into two clusters:

**Information-Education-Communication activities:** IEC activities are oriented towards increasing the awareness of people about sanitation related issues and trigger a change in sanitation related behaviour. IEC activities undertaken by the interns can target behaviour around open defecation, hygiene practices, solid, liquid waste management among other behaviours. Under this, the interns may:

- Organize awareness campaigns around better sanitation practices like using a toilet, handwashing, health and hygiene awareness, etc.
- Perform Nukkad Natak / street plays, song and dance performances around swachhata
- Organise Swachhata Melas
- Conduct Door-to-door meetings to drive behaviour change with respect to sanitation behaviours
- Conduct Village or School-level Rallies to generate awareness about sanitation
- Make wall paintings in public places (more specially panchayat offices) on the theme of swachhata
- Organise Swachhata-related movie screenings in public places. (Swachh Bharat movies may be found on the YouTube channel [tinyurl.com/sbmgramin](http://tinyurl.com/sbmgramin) and community screenings of these films may be organized in public places in the villages to help spread the message of Swachhata)

**Note:** All IEC Material of Swachh Bharat Mission may be freely downloaded from the links [tinyurl.com/sbmiec](http://tinyurl.com/sbmiec) and [tinyurl.com/sbmiec2](http://tinyurl.com/sbmiec2). Any other activities undertaken to help spread these messages to the rural masses would count under the header of IEC activities.

**Solid Waste Management related activities:** SWM activities target generation of awareness around waste collection, segregation, disposal and waste-free environment:

- Organize Waste collection drives in households and common or shared spaces
- Volunteer for segregation of solid waste into non-biodegradable and biodegradable waste
- Mobilize community and panchayat to build compost pits, where organic matter decomposes to form manure
- Help Panchayats draw up plans for installation of biogas plants
- Organize cleaning of streets, drains and back alleys through awareness drives

**Support in toilet construction**

- Helping in pit digging for toilet construction
