ABOUT THE COLLEGE :

Established in the year 1972, Lakhimpur Girls' College, affiliated to Dibrugarh University is one of the pioneering institutions to impart higher education to women in northern Assam. NAAC has taken note of its achievements and re-accredited it with A Grade.

LOCATION OF THE COLLEGE :

The college is located in the heart of North Lakhimpur town and is easily accessible by roadway, railway and airway.

DEPARTMENT PROFILE :

The department of Home Science of Lakhimpur Girls' College came into existence in 1988 with the introduction of the subject in both Higher Secondary and Degree level. Apart from the major courses, the department also provides various UGC sponsored career oriented courses. The department holds an important position among the colleges under Dibrugarh University for its pioneering efforts in

introducing post graduate courses in the entire North-East region of India next to Assam Agricultural University. Introduced in 2015, as per the recommendation of the NAAC peer team, the post graduate course of the department is being conducted under the active guidance and co-operation of the faculty members of Assam Agricultural University. Students from all the corners of Assam are pursuing their higher studies in the department.

Faculties of the department :

1. Mrs. Surabhi Kakoty, M.Sc. (HoD)
2. Dr.. Roopa Roy, M.Sc. Ph.D.
3. Dr. Basanti Dihingia, M.Sc. Ph.D (Guest Faculty)
4. Mrs. Binita Rajkhowa, M.Sc.
5. Miss Farhin Rahman, M.Sc.
6. Miss Aditee Sharma, M.Sc.
7. Miss Jimi Sonowal, M.A.

Vision :

The post graduate course in Home Science aims at empowering women through education which is career oriented as well as community oriented.

Infrastructural Facilities :

The department has a library rich in books and journals on various areas of Home Science. The students also have access to the central library located within the college premise. The department laboratory is well equipped providing scopes to the students to enhance their skills and use their knowledge in practical applications. The classrooms are spacious with ICT facilities.

Internship

Our students participated in internship programme at various esteemed organizations as-

1. NIPCCD (National Institute of Public Cooperation and Child Development), Guwahati.
