A NEWSLETTER OF LAKHIMPUR GIRLS' COLLEGE  
NO. XI, OCTOBER, 2022  
LAKHIMPUR GIRLS' COLLEGE  
PIONEERING HIGHER EDUCATION FOR WOMEN SINCE 1972

### Principal's Message

Renowned as one of the landmarks of women's education in Assam, Lakhimpur Girls' College was established in 1972. The institution, since then has been constantly aiming at providing quality education to women from all the sections of the society. The accreditation from National Assessment and Accreditation Council (NAAC) with Grade 'A' in 2014 is a significant achievement on the part the college for its tireless efforts since decades.

As the college completes 50 years of glorious journey, I feel that each one of us has the responsibility to carry forward the lamp of education and knowledge that the institution has been providing for all these years. There might be different challenges at different points which will require our constant dedication and determination to fight back the same. Our objectives should be focused on the holistic development of the students which will definitely lead to a better society. I believe that every member of the college is efficient in his or her respective domains and with our united efforts, we will surely be successful in making our institution a seat of learning at par with those across the nation.

*The Pioneer*, the annual bulletin of Lakhimpur Girls' College is an effort to showcase various activities of the college with the objectives of an all-round development of the students as well as the institution. I welcome you all to join us in our mission of excellence and accomplishment.

Dr. Surajit Bhuyan  
Principal  
Lakhimpur Girls' College

## EDITORIAL

Dears Friends and Colleagues,

This has been a remarkable year for Lakhimpur Girls' College as it completes fifty years of glory. The college thrives on academics as well as co-curricular activities simultaneously. To keep going with the momentum, several initiatives have been taken in various fields. While on one hand, research and scholarly activities have gained impetus, on the other hand various collaborative exchanges and extensions have been undertaken by the institution as a part of community services. The bulletin highlights the major academic achievements of students as well as faculty members during the year. We have also focussed on the achievements of students in co-curricular fields. We are grateful to the retired faculty members for their immense contribution towards the institution and at the same time welcome the new members to the family. Our deepest condolences to the members who passed away and pray for their departed souls.

In this issue of The Pioneer, we wish to share with you, our achievements and endeavours in the past year and look forward to more such glories.
