

## SUMMARY OF FEEDBACK 2017-18

For the session 2017-2018 feedback was collected from 260 students, 91 parents, 59 alumni, 19 employers, and 29 teachers. The feedback was collected through a questionnaire in hard copy format from 59 alumni. About 36% of the alumni responded that the course provided by the college is relevant for their current occupation. It is remarkable in the aspect that 31 alumni out of 59 noted the College is Very good.

Feedback was received from 19 employers for the session 2017-18, majority of the employers responded that passed out students of the college have the high problem-solving ability. Employers have admitted that education acquired from the college in every sphere has enriched their communication and soft skills. The performance, seen in their planning and organizing aspects has its roots in the college. For the session 2017-18 feedback was collected from 91 parents. Out of 91 parents, 43 parents responded as Very good regarding the relation between college and parents. The infrastructure and the work culture of the college are regarded to be Very good by the majority of the parents. During the session, 2017-2018 feedback was received from 29 teachers, and out of them, 17 teachers agree with the coverage of the syllabus. The majority of teachers agree with the promising teaching-learning and research environment of the college. Availability of reference books is regarded as average by the teachers.

Feedback was received from 260 students during the session 2017-2018 most of them rated the relation between teacher and student as highly satisfactory. Feedback regarding classroom cleanliness and students' washrooms is responded on the average side.

After analyzing the responses, the following suggestions were taken into account which are as follows:

- Suggestions regarding the construction of a smart classroom.
- Suggestions regarding the training of non-teaching staff.
- Suggestions regarding organizing seminars.

These suggestions received were forwarded to the authority for necessary action.
