

SUMMARY OF FEEDBACK 2020-21

All the feedback was collected through questionnaires in a hard copy format and informal observation from different stakeholders. For the session 2020-2021 feedback was collected from 180 students, 70 parents, 54 alumni, 16 employers, and 55 teachers. Feedback was received from 180 students during the session 2020-2021 where most of them rated regarding sports facility as highly satisfactory. Out of 70 parents, 54 parents regarded the examination method as excellent. Out of 54 alumni, 28 alumni responded as **Excellent** regarding the overall rating of the college. During the session, 2020-2021 feedback was received from 16 employers, and out of them, 69% of employers responded that the college implanted in them the ability to properly use workplace equipment. Feedback was received from 55 teachers during the session 2020-2021 and out of them, 50% of teachers agreed on the conduciveness of the teaching and learning environment of the college.

After analyzing the responses, the following suggestions were made for further actions:

1. Suggestions regarding soft copies of previous years' question papers for students use
2. Suggestions regarding college auditorium
3. Suggestions regarding alumnae meet.

These suggestions received were forwarded to the authority for necessary action.
