

Webinar report

Department of Education, LGC

Research Methodology preparation and standardization of research tools 04/07/2020

Prof. Mukut Hazarika & Prof. Manashee Gogoi,

Webinar Report

The program has been started with a welcome note from the principal Dr. Surajit Bhuyan Lakhimpur Girls' College. The Head department of Education, Robin Kakati has shared his warm greetings to the invited resource persons and all the participants from different places of India. It was an immense pleasure that more than 500 participants attend the program and actively participated. The invited guest Prof. Mukut Hazarika & Prof. Manashee Gogoi have been introduced by Nibedita Sarma, coordinator of the program. Prof. Mukut Hazarika & Prof. Manashee Gogoi have been working in the department of education, Dibrugarh University.

The technical session has been started by the respected resource person Prof. Mukut Hazarika. First Prof. M. Hazarika described research methodology in detail, highlighting the major areas of social science research; reliability, validity and norms. After an hour the session has been handed over to Prof. Manashee Gogoi. Prof. M.Gogoi described the process of standardization of research tools used in social science very precisely. Many participants have participated and interacted with both the resource persons in the Q&A session. The program was ended with vote of thanks from Dr. Bhupen Chutiya, Coordinator IQAC, Lakhimpur Girls' College. Dr. Kalidas Brahma, Dr. Parama Dutta and Mr. Babyson Terang assisted the program by providing technical support.
